**DRIVE FOR
EXCELLENCE**

OUR MISSION

To create a parental support structure for the IB administration, faculty, and students that provides coordination of special projects and events, in addition to financial support, service and advocacy, both within the IB program and the community.

The IBSF Needs YOU: Parents & Friends Help Build a High Quality Program

PARENTS MAKE A DIFFERENCE

Parent involvement as volunteers and donors is a key element in the success of the IB Program. Our active participation shows we care about our child's success and affirms teachers' commitment to high standards. Teachers and staff cannot deliver this program alone. Parent volunteer proctors make it possible to administer the AP and IB exams each year.

FUNDING FILLS THE GAPS

This high-quality academic experience is available tuition-free. When funding falls short of program needs, the IBSF fills the gaps. The curriculum often requires materials and supplies that exceed the district's capacity. When IBSF provides these items, they have an immediate positive impact on the students.

WE SUPPORT TEACHERS

Our teachers consistently go above and beyond to deliver a quality IB experience. We organize teacher appreciation efforts and provide additional support to faculty and staff as needed.

WE MARK MILESTONES

We recognize and celebrate important student accomplishments as our young people tackle this rigorous curriculum. We fund senior graduation stoles, recognition ads and convocation. We also recognize a senior with an outstanding CAS project with the "Great Expectations" scholarship.

WE CREATE COMMUNITY

High school is an important time when our children are becoming young adults. We work to create a community of support through social opportunities and fun events such as the Freshman Mixer.
